Main window general view

|	
1. LOGO / USER INFO / SESSION INFO / ETC.	
2. MAIN MENU	
3. TOOLBAR	
4. NOTEBOOK VIEW	**5. NOTEBOOK FILEBROWSER, 5a. PREPARED NOTEBOOKS BROWSER, 5b. READY TO USE CODE FRAGMENTS BROWSER.**
6. MAP BROWSER	

Main window - general concept.
Description:
1. Area for logo, info about user and session, other additional user-related data and functionality.
2. Dropdown main menu with all funcions.
3. Toolbar with icons, selected main functions.
4. Notebook view - here's a user's place for IPython/other language programming.
5. Notebook browser - user created notebooks and/or previously prepared notebooks. It might be also a place for prepared - ready to use code fragments (templates, procedures or functions). It can be tabbed view (or other multi view)
6. Map browser - for spatial data browsing.
